Dear Kirsten

Re: Feminist Legal Clinic Accommodation Grants Program tenancy

Thank you for your letter of 22 December 2020 expressing support for our service and the previous correspondence in respect to this matter.

We note that you do not raise any issues with recently published material but remain concerned about the three items identified in your original correspondence. We do not believe this material is discriminatory, however, in answer to Council's concerns we have now password protected this content so that it is no longer publicly available.

We look forward to receiving confirmation from you that this resolves the issue and that our A rating will be restored as soon as possible.

Yours faithfully

Anna Kerr
Principal Solicitor
