Dear Anna

Re: Feminist Legal Clinic (FLC) Accommodation Grants Program tenancy

Thank you for completing your annual assessment against the general performance criteria for FLCs tenancy in the City's Accommodation Grants Program at Benledi House in Glebe.

I write to advise that the City has completed its review and that FLC have been rated a "C". The City's AGP annual review found that FLC has not satisfactorily met the City's Accommodation Grants Program general performance criteria over the past 12 months.

In reaching this rating, reviewers took into account FLC's overall performance against the performance criteria specified in the licence as well as the outcomes from meetings with the City regarding FLC's compliance with its lease obligations since February last year.

Council will be advised of the C rating in a report this month. Following the meeting, City staff will be in contact with FLC regarding the impact of this decision on FLC's tenancy.

Yours sincerely
