**Consultation into Surrogacy Act and Status of Children Act**

Feminist Legal Clinic Inc. is a community legal service established to advance the human rights of women and girls.

We support the submission of Abolish Surrogacy Australia (ABSA) and oppose all efforts to legalise commercial surrogacy arrangements in NSW or to facilitate in any way the exploitation and commodification of women and children under the guise of advancing LGBTIQ+ rights.

We are happy to expand further given an extension of time.

Yours faithfully

Anna Kerr

Principal Solicitor
